National Coin Week is ~~next~~ this month.

National Coin Week, "A Hobby for a Changing World—100 Years and Counting," will be held April 21-27. From early civilization to today, the state of collecting coins has reflected societal trends, collaboration among collectors, and shifting interests. The 100th anniversary event will focus on how coinage and money have evolved and changed to embrace varying cultural values over time.

National Coin Week has been a long-standing tradition in the numismatic community. It celebrates the art, history, and cultural significance of coins and currency for the past century. The ANA will offer educational and promotional materials for the weeklong celebration, including activities for members and young numismatists, the annual Club Trivia Challenge, daily online trivia questions, articles from *The Numismatist*, and objects from the ANA collection.

Helen received a letter from Lloyd Wagner who is in northern California. 3 clubs there are going to have a show August 1-2, 2025 in Modesto, California. He invites anyone who wants to be a dealer to get one of the 55 tables and all of us who can get up there are invited to attend.

The picture at right I took from a display at the local museum where I volunteer. It is a picture of a medal won at the Colombian Exhibition in 1893. It was won by a local person from the town of Duarte. Unfortunately the museum does not have the medal.
